Warners Park Centre - At the end of 'The Outpost' off Kameruka Road, Northbridge NSW 2063

Getting there... It can be a bit tricky to find, so.... read on.....

First of all, to get to the carpark. You need to drive along The Outpost, having turned left off Kameruka Road. The Outpost is a wiggly road, and the car park is located at the end of the Outpost. There is a bushy playground on the right and an expanse of grass with a wide path. Follow the wide footpath, go past the hedge, and you'll come to another grassy area and there's Warners Park Centre. There is a wheel ramp at the front of the building.

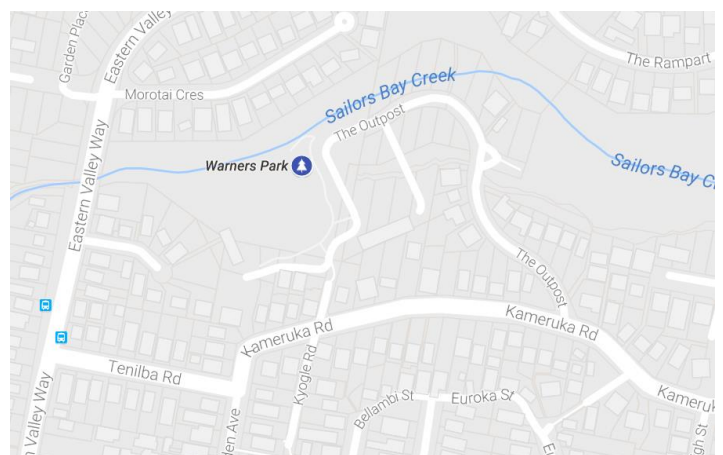

For insurance purposes, you must be a member of the LNSMBA to attend.

Please note that we have a NO NUTS policy in the interest of safety for all children.

Your first visit is FREE and thereafter, the fee is \$5 per casual visit, or \$25 for 6 visits
